Stevenson

- HEP: Kindergartners have planted peas in the garden, and they are growing. Students are enjoying their experiences of planting, raking, and cleaning up the garden when they visit weekly.
- In the month of April, kindergarten students learned all about Spring and completed the weather unit in Science. A highlight of the weather unit was observing a tornado bottle created in class. Students celebrated Earth Day and Arbor Day by reading expository/informational text about the earth and did fun projects as well. The students wrote beautiful sentences about the earth, weather, and Spring, which were displayed in the halls with their projects, for all to see.

## FAIRFIELD BOARD OF EDUCATION AGENDA May 21, 2019-Page 6

- Grade one went to the Morristown Theatre to see Henry & Mudge. The performance was enjoyed by the students. The Mother's Day book has been sent home. The students wish all the moms a very happy Mother's Day and hope that they cherish this special gift forever. Additionally, the students' fairytale writing was enjoyed by the friends and family who visited the classroom on Special Persons' Day.
- This month, second grade went on a field trip to the Morristown Performing Arts Center. They enjoyed the show "Dragons Love Tacos and Other Short Stories." Students loved seeing their in-class read alouds come to life through song and dance! Students also presented mystery animal descriptions, where the students wrote a suspenseful segment using word references that describe, but do not name the animal. The students were eager to guess the mystery animal!
- This month, third graders have been reading the novel Mr. Popper's Penguins to collaborate with their upcoming field trip. They will be comparing and contrasting the book to the play. Students have worked very hard on their Pop Bottle projects, which were displayed throughout the school. The students have been extremely proud of their work and are excited to start their transition in the Fall.
- The Student Council had an eventful May! On May 2, the group took a walking field trip to the Fairfield Public Library. In conjunction with Miss Jamie at the library, they took part in an age integration day. The students played board games, colored, and read to our community's senior citizens. It was a fun event for all! In addition, on May 8, Student Council hosted a school wide "Alex's Lemonade Stand" during the lunch periods. Each glass was poured for a suggested \$1.00 donation. The students helped pour, pass out lemonade and hang up donation signs, which were signed by each student and staff member. We are proud to say we collected \$457.00 in donations!

### Churchill

- The fourth grade is continuing their focus on reading nonfiction texts to learn about children around the world. Students will use the text "A Life Like Mine" and other research to write an opinion piece about living somewhere else in the world. In science, students are learning about plants and animals. They are currently planting radish seeds in their classes to raise them and transfer them into the school garden. Through this process, students are learning about seed germination. Also, the fourth graders are developing an understanding of how gardens contribute to a sustainable environment. The culminating event for learning about living things happens next month when the fourth grade travels to Sandy Hook to learn about different ocean ecosystems.

**FAIRFIELD BOARD OF EDUCATION AGENDA May 21, 2019-Page 7**

- Ms. Tirrell's fourth grade DI class performed a Reader's Theater called "How Grandmother Spider Stole the Sun" for the staff last week. Developing better fluency has been the goal all year. Repeated reading to prepare for a show is the most fun way to practice!
- The fifth grade students did a fantastic job connecting their studies of biodiversity and ecosystems during the field trip to the Lakota Wolf Preserve.
- Students in sixth grade had the opportunity to hear a personal account from Fran Malkin, a Holocaust survivor. Not only was this an excellent learning experience, it also gave the students a chance to have many of their questions about the Holocaust answered.
- The Churchill Student Council had a Bake Sale on April 17. With the support of their families, they raised \$287.00 to benefit the 2019 Police Unity Tour. The Student Council Officers presented Officer Frank Tracy of the Fairfield Police Department with the check, and they wished him well as he prepared to ride from New Jersey to Washington, DC. on May 8, 2019.
